

ALL YEAR FIGURE SKATING CLUB FREE SKATING & MOVES IN THE FIELD TEST APPLICATION

All applications with fees required for US Figure Skating Moves in the Field, or Free Skating Tests to be scheduled by the All Year FSC must be received by the All Year FSC Free Skating Test Chair three (3) weeks prior to the scheduled test session.

Requested test dates may not be available due to the number of test requests or judge availability. Tests will be scheduled for the next available session. If the test candidate cancels the test for any reason other than doctor certified injury or illness, test fees will be forfeited and the test candidate must submit a new test request and test fees for the test to be rescheduled. If the test is rescheduled by the Test Chair, no additional fees will be required. If the applicant is not a home club member of AYFSC, he/she is responsible for obtaining permission from their home club for testing. If the requested test time is on a non-All Year Club Session, the test candidate is responsible for securing the ice and making all arrangements with rink management.

Free Skating test session dates and times will be posted on the All Year FSC website: www.ALLYEARFSC.COM and test locations. **Test candidates are responsible for furnishing hospitality for the judges.**
